Hello Brothers,

I want to thank all my brothers who have signed a new or re-enrolled member in the month of June. As I said in the July newsletter, NET GAIN is our main goal of the 2015-2016 Oregon State membership program. How do we achieve the net gain, by having all Aeries maintaining their membership roster in the MMS program (membership Management System). Making sure that all members that have failed to pay their dues receive dues reminders, not just once but two or three times if need be. Maintaining drop members list. If your aerie fails to maintain drop members list as required by the laws of the order, it not only can affect the NET GAIN numbers, but your aerie may be paying state and grand aerie per capita tax on members who no longer pay dues.

On a different note, the F.O.E Oregon State Midwinter Conference will be November 14, 15, 16, and 2015 at Albany Aerie #2255, Albany, OR. Now is the time to start looking for your contestants for the Oregon Youth Scholarship Contest (more info to follow at region meetings). Yes the conference is one week later, due to motel availability. Midwinter Conference is also where we present the Eagle Service Award. This award is the highest award the Oregon State Aerie presents to a brother. If you know a brother who has unselfishly given to his community and to his aerie home and family. Please send me a letter telling what this brother has done to help others. Send your letter to the following address: Oregon State Membership Director Jamie Thomas 1104 Ginger Ave Eugene, Oregon 97404.

Wasn't State Convention wonderful? A big thank you to Medford who went over and about the standards to make this a great convention.

As I am writing this I am getting ready for Grand Convention in Milwaukee WI. I am rally looking forward to representing Oregon at this convention.

I have chosen some very special people to become our State Family. Our Auxiliary Grandparents are Bill and Laurel Gosnel. Their ability to answer questions without making you feel silly for asking is one of the many things they do for anyone wanting to ask.

Our Auxiliary Parents although no related are Bobbie Huppunen and Dean Johnson. Parents are our cheerleaders and that is why I chose them, as they have always been supportive of me for many years.

Our Auxiliary Special Sisters are Rusty Hankin and Peggy Aeh: both of these sisters have been very special in helping to keep me on track.

The wishing wells were handed out at State Convention. Any wishes made, the money will be split with membership to help with cost of awards etc.

I am so looking forward to meeting and chatting with each of you over the coming year.

I do have visitations starting in August and they will be in the special section each month marked SMP Travels.

A very special person reminded me "don't forget when you walk into the Aerie please chuck your negative attitude into the garbage can located near the door."

Lets all remember this wonderful advice.

Have a great month!

Hugs to all!

Sue Calderwood

Dear Sisters ---

Another month has already passed and so much has happened with State and Grand Conventions behind us. Congrats to all the new officers!

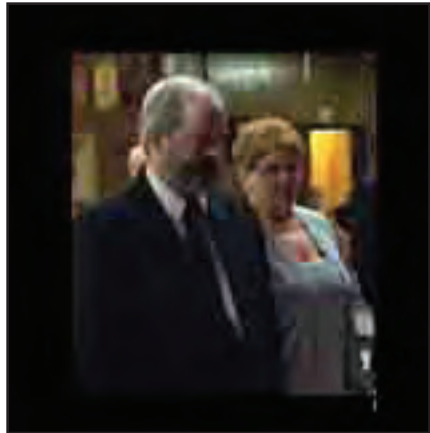

We all need to think about "our challenges". First is Oregon's challenges from Washington & California and our very own Oregon State Aerie Membership chair, Jamie Thomas, has challenged us to "net gain". I have faith in all of you and know you will do your best to make this all happen by the end of the year. In addition, I am putting out yet another challenge between all five regions in the state and will be talking about this at your next region meeting in the fall.

In order to help you achieve this goal, SMP Sue and myself are planning a Mad Hatter's Membership Tea Party with the first one on October 24th with more info coming your way very soon. We will be talking about ways and means to help you reach your goals and why membership is so very important to our Fraternal organization.

I hope you all have our "wishing well" out and visible during your meetings and will place your loose change and "make a wish". Remember these funds will be divided between SMP's project and State Membership. If your Auxiliary didn't receive one at State Convention, they will be available to you at your region or during Sue's visitations. Please have your secretary keep these "ear-marked" funds in your social account.

Until next month, plan to "Make Someone Happy"

Membership Director

**Thank you Brothers and Sisters,**

**For all the prayers, card and help you have provided our family, following the fire. You have really shown that you are people helping people.**

Daughter Trudy Gorman**

Thank You for the very honor of being named for the Eagle service award. I didn't think I ever did anything that would account for a nomination for this very special award.

So, Sisters when the chairperson asks you for names and info for the Eagle service award, Hall of Fame, or any of those awards, look around your auxiliary and send a name in. They don't have to be active as officers on the state level, just hardworking sisters.

Thanks
