Brothers and Sisters,

Thank you for all of the cards and well wishes. My back is improving and I am happy to be avoiding surgery for now. I appreciate you taking the time to think of me.

I would like to thank all the brothers and sisters throughout the state for all the overwhelming support Dan and I have received for my project LEAP.

As the fraternal year is wrapping up I hope that you will all be out hunting for one more member.

Please make sure you send in your charity reports to the chairmen so that their reports can be complete at state convention. Thank you to all the chairmen for the work you do.

I hope to see you all at state convention in Pendleton. Meetings can be informative and it's exciting to see what we have all accomplished during the year. Think about bringing a new member or a member who has not attended before. Remember state convention is where state bylaws are changed or voted into being, be there to help shape the Oregon State Eagles.

A special thank you to Dan Thompson, Greg Jones and Jamie Thomas for accepting their positions this year as project, troubled aeries and membership. I appreciate your hard work.

I want to wish John King and Raynora Piatt a very successful year. I know we will all support them and make their year successful.

In closing I would like to thank all of you for a once in a lifetime experience as being your State Worthy President.

Fraternally,

Tim Cant

Hello Brothers

Another Fraternal Year has come to an end. I would like to thank Worthy State President Tim Cant for the honor to serve as your Oregon State Membership director.

I would like to thank all the brothers that signed up a new member or re-enrolled member. For those members who have signed five or more members you should have by now received your invite to the 2016 Membership banquet at the Oregon State Convention in Pendleton. (RSVP by June 12, 2016).

To incoming President John King, I wish you the best of luck for a successful coming year to you and your membership team. Thank you again my brothers for your support and hard work in the 2015-2016 fraternal year.

Dear Sisters,

This has been a year to remember, having a friend's cancer come back with a very sad ending, then my sister fighting cancer. This is such a terrible disease, with so many bad side effects. But, Thank you everyone for all the prayers for my sisters healing, she is not out of the woods yet, but she is still fighting which is great.

I have to say I am shocked that this year is almost over, weren't we just a State Convention in Medford it sure feels that way to me. I have enjoyed every chance that we have had to visit and renew old friendships!

We have our last main event happening this month. State Convention will be here soon, Chairpersons please be sure and have your reports ready and have a copy of your report to give to our State Secretary. It will make things so much easier on our Secretary when putting our Proceeding Book together.

My best wishes go to RayNora Piatt and John King. They are our incoming State Presidents. I know you will give them all the love and support you have Tim and I. They will be working hard for you this next year.

I have said at all of our spring region meetings. Don't wait for a life threatening situation to remind you of who really matters in your life, say I Love You today. Cherish every moment before it becomes a memory Before you run out of time! Hard words to read, but they come from the heart.

I love you all!!

Love and Hugs

Sue Calderwood

Kathy Lindsay
Membership Director
2015-2016

Hello
My Wonderful Sisters !:

Well, here we are at the end of our year – how did it get here so fast? I want to take a moment to thank SMP Sue Calderwood for the honor of serving as your State Membership Director. It has been a year to place into my memory book. Many thanks to all the sisters who worked so hard to bring all those new and re-enrolled members. You make me proud.

I am currently preparing for your State Convention in Pendleton and look forward to the final presentation of all the awards you have been working so hard to obtain. Our Membership Banquet will be on Thursday, June 23rd @ 5:00pm at the Pendleton Aerie. If you have signed up 6 or more members, you should have received your invitation by now and your dinner is paid. Anyone may attend this banquet and I encourage you to do so. We are serving a steak dinner for only \$8.00 if you PRE-REGISTER, otherwise you will have to pay \$10 at the door.

Good wishes to all the incoming officers and chair-women, may you have a fantastic year !!
Remember, Membership isn't everything but without it we have nothing.
Thank you for helping to Make Someone Happy!
Fraternally,
Kathy Lindsay
State Auxiliary Membership Director

Fraternal Order of Eagles, Aerie 2090
(Sponsoring the October Bond Drive to Sell \$250,000 "E" Bonds)

Says-- **BACK THE 2ND FRONT
BY BUYING
BONDS!**

Klamath Eagles have accepted the responsibility of keeping up bond sales this month. It will be no easy job to do this on the heels of the record breaking Third War Loan . . . but do it we must! It is the actual responsibility of every citizen, so don't sit back and leave it all to the Eagles.

"The second front is near at hand. It has taken billions of dollars to prepare it. It will take billions of dollars to launch it, and carry through until final victory. Thousands of our boys from Klamath county will be right in the middle of it, willingly paying with their lives for a final Victory, that we who are still at home with our families, leading and enjoying normal lives, can continue to live in a country that is free, where Liberty prevails for all.

"The October quota for Klamath county is set at \$250,000.00, in series E Bonds. Klamath county has always exceeded its quota in the past. All our boys in the service are asking from the citizens of Klamath county is to meet the monthly quotas willingly, to back them up with the materials necessary to fight this war. They will do the rest.

"DON'T FORGET that as long as U. S. currency is good, War Bonds are good.

DON'T FORGET that as long as War Bonds are good, U. S. currency is good.

DON'T FORGET the thousand of Klamath Boys who are now in the armed service, and the many more who will continue to go monthly.

DON'T FORGET our Klamath county boys who have already given their lives for you.

REMEMBER we have a job to do in the month of October.

Let us all unite and get the job done quickly.

BUY YOUR BONDS TODAY!"
