Brothers and Sisters,

Here it is March already and it's looking like it's going to be a busy month. I want to thank Mill City, Woodburn, Albany and Medford for there hospitality and support for LEAP. Dan and I enjoyed our visits with all of you. March brings Hands across the border, our visitation in Springfield and the start of spring regions.

We look forward to region 1 in Cornelious. Thank you to the brother and sisters in Cornelius for stepping up and hosting region with short notice. If Sue Cant or I can be of any help please let us know.

Please check the Oregon state Facebook page for future visitation stops. With only a few months left in the year please get out hunting for more members and help Jamie and I make Oregon a net gain state.

Hope to see you on the eagle trail.

Hello My Brothers,

By now your aerie should have received information on how to implement a welcome back letter program. We are asking between now and the end of the 2015-2016 Fraternal year that every dropped member be contacted and asked to consider rejoining the Fraternal Order of Eagles. Many of our aeries are within two to five members of reaching our goal of a net gain this fraternal year. If any aerie needs any assistance with the dropped members list please let me know, I am very happy to help. This program is very simple to implement and your aerie can gain so much from it.

STATE MADAM PRESIDENT - Sue Calderwood

With our themed Region meetings starting up again it is time to start working on that Ritual Team. Regions are great place to practice what you have worked so hard to learn. So you will then be ready to compete at State or Grand Convention. Time goes by quickly, so that extra practice will come in handy.

As I travel through the State, it always amazes me of how thoughtful and generous you all are!

Its seems like the comments that we hear are pretty similar at every lodge. The most common thing I hear is related to how the Aerie and Auxiliary do not seem to be working together for the proper final effect.

We all need to work a little harder at working together, listening, and remembering our own attitude may be out of whack. The tone in your voice will say everything. Lets all work hard on keeping the smile on our face and enjoy the benefits that we all share as eagle members.

When we enjoy what we are doing it is infectious and rubs off on others. New members are more willing to help and bring in more new members.

Our families are people that we all love. Be sure and check on those who have fallen ill and check in on them. And while on this subject, do not forget your ill or missing from meeting sisters and brothers. Visit them even if only by phone or email as they do appreciate knowing we are missing them at our Aerie home.

Have a wonderful Spring. Hope to see everyone at the Regions!

Love and Hugs

Hello Sisters,

We have started into the last half of our fiscal year and need to make a big push for those members you have wanted to bring into your Auxiliary. Remember the rewards are within your reach for all your hard work!!

Plan an event, bring in a new friend and show her how much fun we have working to make people happy. We are, after all, an organization of "People Helping People".

Remember, the State Aerie has challenged us to "net gain" and I will not like paying off this bet. Better to put that \$\$ in OUR SMP's Project if we win!!!

It's been a long cold winter and it's time to make plans to make every attempt possible to attend your Spring Region Meeting. This is where we find old friends and make new ones!! This is where we find old and new ways to improve your Auxiliaries. This is where we find old and new information regarding our Rules and Regulations. AND this is where you can obtain your new State Roster Books!!! I will have these with me at all regions for \$3 along with all the new member applications and other Eagle brochures on our charites, etc. I will see you soon and until then, please make someone happy!
