Fun at Regions

From showing the love for SMP Sue to “What have you done now SWP Tim?” Shaving a beard for a good cause or

finding the clues as to who murdered the SMP Sue. Thank you all for the hard work by all the Aeries and Auxiliary to provide fun and education at each and every Region meeting. How about coming to your next Region meeting and bring a friend?

Brothers and Sisters,

As I am writing this we are wrapping up our spring regions for the year. They have all been so much fun. If you did not attend your region you missed some very informative workshops. Thank you to all the Aeries and Auxiliaries who hosted Regions. It's a lot of work and we appreciate all of your hospitality.

Dan and I are making our last few visitations. My homecoming is May 7th in Pendleton at 5pm and I would love to see you all there.

As we near the end of the fraternal year please go out and get one more member. We all know someone who would make a good Eagle, sign them up and bring them into our family.

Funvention is being hosted by Portland 4. I know they have wanted to host this event for a long time and am excited to see what fine they fun they have planned for us. I encourage everyone to bring your new past president or a past president who has never been initiated.

I am looking forward to seeing everyone at state convention in Pendleton. Please encourage a new member or a member who has never been to convention to come with you. You can really see all the good Oregon does and meet some amazing brothers and sisters.

Fraternally,

Tim Cant

Wasn't the Grand Madam President Penny Skinner a wonderful person to meet and get to know? I am positive I will have stories to share at State Convention.

With the Regions over now we have just a few things left that need to be done this eagle year.

Funvention is the weekend of May 13, 14 and 15. This is the time that our local Presidents can be inducted into the Past Presidents Club. We have a short meeting on Saturday and Sunday, but a lot of fun will be going on. The best part of this weekend is there is no State or Local Business happening.

My homecoming will be May 21 at East Portland Lodge #3256 from 5 till ? They are not telling me what is happening other than I do know that Jesse will be performing from 7 to 11. I can guarantee a fun evening for everyone, full of laughs.

State Convention will be here soon, Chairpersons please be sure and have your reports ready and have a copy of your report to give to our State Secretary.

This is the month to remember our Mothers, please be sure to remember them. A nice word goes along way lets do not forget how important they are!

Hope to see you all in the near future!

Until next month,

Love and Hugs

Sue Calderwood

2015-2016

Hello Sisters,
This year has gone by so fast and you have been working so hard to get those new and re-enrolled members into our wonderful organization. We are coming down to the wire and I am pushing you to try for just one more if you can. Remember, Sue and I upped the numbers for our award program. It is now up to 2-4-6 in order to get her book-mark, pin and invitation to the State Membership Banquet in Pendleton this coming June. So many of you are soooooo close to meeting those marks and I hope to be able to present you with your gifts. Further, I have found a VERY SPECIAL SISTER necklace @ Nordstrom for the sister who brings in the most "re-enrolled" members and I am anxious to make this presentation. We are also in a race with the Aerie State Membership for net gain – I don't want to have to give them any money for this challenge!!! Oh the gloating that would go on!! All of our region meetings have come to a close and I had such a good time with all of you. It's so great to see old friends and make new ones!! My special thanks to the sisters in Cornelius, Sutherlin, Woodburn, Grants Pass and Pendleton for a job very well done! We sure do have a lot of great cooks out there and I wanted to take this moment to thank Debbie Bower for her special restricted diet meals she prepared for me in Woodburn. Remember, membership isn't everything, but without it we have nothing. Until next month please help us to make someone happy!!

Fraternally,
Kathy Lindsay
