## Make-A-Wish

Serves a unique, and vital, role in helping strengthen and empower children battling life-threatening medical conditions.

Make-A-Wish® Oregon serves children with life-threatening medical conditions living in Oregon and Clark County, Washington, from its headquarters in downtown Portland. We hope to grant about 200 wishes each year with the help of volunteer wish granters throughout the region.

Wishes are more than just a nice thing

A wish experience can be a game-changer for a child with a life-threatening medical condition.

This one belief guides us in everything we do at Make-A-Wish®. It inspires us to grant wishes that change the lives of the kids we serve. It compels us to be creative in exceeding the expectations of every wish kid. It drives us to make our donated resources go as far as possible.

Most of all, it's the founding principle of our vision to grant the wish of every eligible child. Wishes are more than just a nice thing. And they are far more than gifts, or singular events in time. Wishes impact everyone involved - wish kids, volunteers, donors, sponsors, medical professionals and communities. The impact varies. For wish kids, just the act of making their wish come true can give them the courage to comply with their medical treatments. Parents might finally feel like they can be optimistic. And still others might realize all they have to offer the world through volunteer work or philanthropy. Whatever the odds, whatever the obstacles ... wishes find a way to make the world better.

# STATE MADAM PRESIDENT - Sue Calderwood

Welcome to fall. I so hate to see summer go away, but the fall colors and cooler temperatures are also very nice to have.

I hope everyone has been enjoying our themed region meetings; so much good information was shared in the workshops.

As everyone knows we have some pretty high membership numbers to hit this year. We are putting on a Membership Tea Oct 24 at 2pm. This will be a great time to renew friendships and get pumped up about membership. I hope everyone can attend as I know Kathy Lindsay is working hard to make this perfect for us. And her guest speaker Vince Kinman is a great motivator.

On Oct 16, 17 and 18, we will be attending our Pacific North West Convention. This is where the states of Alaska, Washington Oregon and British Columbia get together. We are meeting in Abbotsford Canada; I am positive that the workshops will be a great learning experience. Grab your passport and come join us for a great weekend!

Mid-Winter is coming please be sure and bring a contestant with you, but if you cannot find someone, please send your money for sponsorship. I am positive that Crystal Urban will have a few extra contestants ready for us. She does a marvelous job with our youth!

I so look forward to all the opportunities we have to become even better friends than before.

Hugs to all!

Hello Sisters,

WOW - only 3 months into our year and you have taken my breath away...FANTASTIC JOB !!! Our Oregon State Auxiliary has also placed in the Top 15 Producers ranked at 8th place throughout the jurisdiction. Also have recorded 52 re-enrolled members, remember there is a special award for the sister who brings in the most re-enrollees, which is a beautiful "sister" necklace and should be proud to wear. I am getting all this information from the MMS Program and surprised at all the data available. It has been a wonderful tool and fun to use!

By now, each Auxiliary should have received their invitation to our "Mad Hatters Membership Tea Party" to be held in Salem @ Auxiliary 2081 October 24th @ 2:00pm. Please plan to attend and bring a friend or a prospective new member to this first of a kind event. There will be a contest for the BEST HAT with a prize to the winner. I am also proud to announce that our Grand Membership Director, Vince Kinman, will be our guest speaker. Don't miss this terrific opportunity to witness his inspirational and energetic approach to our membership program. No registration fees, refreshments served. We are also inviting all Aerie members to attend and don't forget to wear your "best hat" as well !!

### Beak and Quill Changes

There have been requests to have the B & Q sent to member by email and so we are going to make that available to those who wish. If you would rather get your B & Q by email please send a message to Anthony Rizzi [oregoneagles@gmail.com](mailto:oregoneagles@gmail.com)

Our Aeries and Auxiliaries will still get a copy in the mail and those who wish can still get a copy mailed to them, but now you have a choice.

Remember, membership isn't everything, but without it we have nothing.

Our fall region meetings have now come to a close and I enjoyed each and every one of them. So good to see old friends, get a chance to visit and hand out membership awards. Great job with the themed regions, I'm excited to see who this year's winner will be!

Next up is our Midwinter Conference November 13, 14, 15, 2015 at Albany Aerie# 2255. A wonderful Eagle event where we witness the great talent of the kids and grant Oregon Youth Scholarships along with the presentation of our very prestigious Eagle Service Award.

Until next month, plan to
