STATE WORTHY PRESIDENT - Carl Wilson

My Brothers and Sisters,

The year is going so fast! I have been traveling and visiting different Aeries as it has been convenient for those Aeries. I am very heartened to tell you that I have seen renewed efforts in "every" Aerie to re-grow this fraternal organization. According to the last report that I read, the Oregon FOE is approx. 596 new members short of net gain + 2% for the entire state and approx. 15,000 new members short of net gain + 2% for the entire nation. That is an amazing statistic. We have gone a long time declining in membership, but now we are on the rise again! It is our responsibility to continue to help our state achieve these goals. Another 100 years!

I would like to thank every Aerie and everyone in those Aeries that I have already visited so far this year! I have been able to talk with Aerie officers alike. These conversations have helped to form ideas on how the state organization can better help our local Aeries. The volunteerism in these Aeries has been amazing as usual. As members, we need to remember to say "thank you" to these volunteers. We also need to renew our efforts to bring in younger members who have the energy to take over for some of these who are so very tired after many, many years of volunteering. I will continue to do my visitations and conversations with our membership.

Until then,
Carl Wilson
SWP for 2017/18

Sisters –

According to the calendar, Spring is officially here!!! I know you have all been working extremely hard to enroll new members and your effort is really showing!!!

Spring Districts meeting are finally here and we are so excited to be presenting a ton of prizes!!! It is really amazing to see so many new members. While we have not reached our goal of net gain plus 2% state wide, we have made great strides towards the finish line.

As mentioned last month, we are compiling our list of sisters who will be invited to the Membership Banquet at State Convention in June. It continues to grow and we are very excited! Sisters – keep up the good work. SEE YOU ALL AT THE SPRING DISTRICTS!
