Brothers and Sisters,

Well, here we are in August and things are moving along well. I'm hoping that all the Aeries are up and running and people are coming back out to support the local Aeries. I will be coming back from Grand Convention and I'm hoping to have a really good time.

Please remember to work on your membership and your charities and also please remember to turn in your PFO reports. The Eagles are the best kept secret in the world and we need to change that.

I'll see you where
Eagles Soar!

See you next month,
SWP Jeff Wilson

STATE MADAM PRESIDENT - Schawna Sachs

Sisters,

Wow, I cannot believe that a month has already passed. I am excited to begin my visits and I am looking forward to hearing about your local membership plans.

Fall districts are just around the corner, I hope you plan on attending. They are very informative and it is nice being able to see all our Eagle friends. I am hopeful to see ritual competitions starting back up. I need to take a moment and apologize to the Medford Ritual team. They came to State Convention ready to compete and due to a planning mix up, they did not get to, for that I am truly sorry.

I am excited to represent Oregon at the National Convention in Phoenix. For those attending, I hope you all travel safe and have a great time. Good luck to the Medford Ritual team and those competing in shotgun.

Remember, if you have a special event you would like me to attend, please let me know as soon as possible.

Schawna,
SMP

MEMBERSHIP DIRECTORS

Hello
Brothers,
Hope everyone is still safe and healthy. We all know that Grand Aerie

did a mass drop of Members for non-payment of dues. Oregon's number of dropped was 1018, that's a Big Number I know. On an encouraging note, as I'm writing this, the number has dropped to 835. Not a big number, but heading in the right direction. Great job for a short amount of time, let all of us do our part to get that number even lower. We have 11 months to work at it, **WE CAN DO THIS Brothers.**

Just remember the goal is **NET GAIN** for all Aeries. Anyone with events or ideas that work for them, pass it on, it may work for others also.

**NET GAIN NET GAIN
NET GAIN**

If I can help in any way, give me a call.

Sorry,
but this is going to be short. Hope all of you that went to national convention had a super awesome time! More next time, promise.

Happiness
always,
Marna

Eagles Give 100%

People helping people is a value that the Fraternal Order of Eagles has held for more than a century, it's a statement that guides the charitable actions to help members and their families as well as fellow citizens affected by illness, injury or catastrophe. As part of the charitable philosophy, the Eagles pride themselves on giving back 100 percent of the Charity Foundation contributions received in the form of grants. All administrative costs are paid by the International Organization through membership dues.

While many charities are using your donations to help offset a variety of administrative costs, we use membership dues to cover those costs to ensure your full donation is being used to make a difference in the lives of the men, women and children in need.

Charity Foundation

The F.O.E. Charity Foundation hosts a variety of funds - each dedicated to a specific cause - which collect donations from our nearly 3,000 Aeries and Auxiliaries for the purposes of awarding grants to local and/or international organizations dedicated to research and patient care.

In compliance with our promise to use 100% of all donations for the intended purpose, grant recipients are required to prove that no portion of the grant received will be used to fund administrative costs.

Each year our members help give nearly \$10 million to community and nationwide organizations helping better lives and donate countless hours of their time to a wide array of fundraisers.

Since 1898, the F.O.E. has worked to establish a philanthropic legacy, becoming the first organization to donate \$1 million to St. Jude's Children's Research Hospital, donating several hundred thousand in aid to help solidify the Truman Cardiovascular Lab and Heart Fund Research Lab at Sutton Medical Research Foundation, and our crown jewel - the \$25 million Fraternal Order of Eagles Diabetes Research Center at the University of Iowa.

Eagles are giving people and our Charity Foundation is a perfect representation of why we're known throughout the world as "People Helping People."
