STATE MADAM PRESIDENT - **Schawna Sachs**

Dear Sisters,

Just dropping a little note this month.

District's were fun and it was good to see all my brother's and sister's.

I am starting my visitations this month, starting at The Dalles on October 2 and the following weekend to Woodburn. Cheryl Milburn and Sue Cant made this great plan for me to go to the Milburn Haunted house... hopefully it will not be too bad... omg I am totally freaking out. Then my official visitation will be on Saturday.

I'm looking forward to Pacific Northwest in Ketchikan, Alaska, the middle of October. We get home for a few days and then off to Mid-Winter the weekend of November 5-7 in Coos Bay.

Stay Happy, Schawna Sachs

MEMBERSHIP DIRECTORS

Hello Brothers,
Hope everyone is still safe and healthy.

Our numbers are still going down and that is great, we have a few Aeries that have reached net gain.

During the Fall District meetings, I've given out 154 pins, 2 shirts, sorry hats are still on backorder. We all need to keep up the good work.

Just a reminder as what the awards are: 1 member – pin, 5 members – membership dinner at State, 9 members – hat, 15 members – fleece pullover shirt, and top producer secretary and non-secretary plaques. Let's make Oregon a net gain State. Great job, keep up the good work.

Mid-Winter is getting close, need to get letters to me for your choice for the Eagle Service Award, and sponsor a young lady or man for the talent show.

WE CAN DO THIS Brothers.

Just remember the goal is **NET GAIN** for all Aeries. Anyone with events or ideas that work for them, pass it on, may work for other also.

NET GAIN NET GAIN
If I can help in any way, give me call!

Sisters,

Membership is so important to the life your Auxiliary.

There is going to be a major push on Re-

enrollment. I am planning on having a competition for the Auxiliary that brings in the most re-enrolls and it will be given out at State Convention. The goal will to bring in that lost sister, and in a perfect world she will bring in one new sister.

Get out there and bring in those new and re-enroll sisters.

Mid winter is coming, find those talented students, and make those plans to attend.

Remember to get those letters in to me so that we can make a good choice for the Eagle Service Award.

Happiness Always,
Marna

Eagles Give 100%

People helping people is a value that the Fraternal Order of Eagles has held for more than a century, it's a statement that guides the charitable actions to help members and their families as well as fellow citizens affected by illness, injury or catastrophe. As part of the charitable philosophy, the Eagles pride themselves on giving back 100 percent of the Charity Foundation contributions received in the form of grants. All administrative costs are paid by the International Organization through membership dues.

While many charities are using your donations to help offset a variety of administrative costs, we use membership dues to cover those costs to ensure your full donation is being used to make a difference in the lives of the men, women and children in need.

Charity Foundation

The F.O.E. Charity Foundation hosts a variety of funds - each dedicated to a specific cause - which collect donations from our nearly 3,000 Aeries and Auxiliaries for the purposes of awarding grants to local and/or international organizations dedicated to research and patient care.

In compliance with our promise to use 100% of all donations for the intended purpose, grant recipients are required to prove that no portion of the grant received will be used to fund administrative costs.

Each year our members help give nearly \$10 million to community and nationwide organizations helping better lives and donate countless hours of their time to a wide array of fundraisers.

Since 1898, the F.O.E. has worked to establish a philanthropic legacy, becoming the first organization to donate \$1 million to St. Jude's Children's Research Hospital, donating several hundred thousand in aid to help solidify the Truman Cardiovascular Lab and Heart Fund Research Lab at Sutton Medical Research Foundation, and our crown jewel - the \$25 million Fraternal Order of Eagles Diabetes Research Center at the University of Iowa.

Eagles are giving people and our Charity Foundation is a perfect representation of why we're known throughout the world as "People Helping People."
